19 November 1951

## CAREER SERVICE COMMITTEE

## Working Group on ROTATION

Minutes of 9th Meeting 16 November 1951 2100 P.M.

Proceeds:

25X1A9a

[REDACTED]

25X1A9a

1. [REDACTED] Consultant to Career Service Committee, attended the working group meeting.

25X1A9a

2. [REDACTED] advised the working group that the Committee desired the definition of rotation to read:

"Rotation -- the systematic designation and redesignation of an individual to various kinds of assignments."

The working group agreed but for working purposes will consider assignments to include duty and training.

3. A definition of training was adopted by the working group and is submitted for approval of the Career Service Committee.

"The process of providing instruction and practice in intelligence and related activities, initially and throughout the career of the individual in order to develop necessary attitudes, skills and knowledge, and to broaden his understanding of various phases of the activities of the Agency."

25X1A6a

[REDACTED]  
regular duty assignment, for the purpose of providing [REDACTED] practice in activities of the Agency collateral to the regular duty assignment of the individual.

-- 2 --

4. It was agreed after much discussion that the two categories of employees as set up in the rotation paper of 7 August 1951 (Generalists and Specialists) would be abolished. It was further agreed that types of duties would be tied to the individuals but that persons would not be considered as Generalists or Specialists.
5. The working group will discuss the demonstration conducted by the Air Force at the meeting of 21 November and will also discuss the objectives of rotation.
6. The next meeting will be at 2:00 P.M. 21 November 1951.
